RFS Technologies Vendor Routing Guide

Effective: 2/11/2025

If RFS Technologies is responsible for applicable freight charges, follow the instructions below:

- Use the RFS Technology contacts below for routing instructions if any shipment exceeds 16 linear feet of trailer space. Please provide skid counts weights and dimensions.

david.uliasz@rfstechnologies.com or frank.calzone@rfstechnologies.com

- Ship collect if destined for the RFS Technologies Meriden, CT location and shipping via LTL service.
- If shipping to an RFS Technologies customer/vendor, ship 3rd party billing to the following billing address:

RFS Technologies
c/o NVISION Global
1900 Brannan Rd
McDonough, GA 30253

Some purchase orders may contain special shipping or routing instructions different from this published Routing Guide. In these cases, the purchase order instructions should be followed.

All Small Package Shipments (UPS)

Shipping To/From:
ALL STATES

Shipment type:
Shipments of 150 LBS or less

Carrier:
UPS Acct # 017697 – Ground Collect
(Unless another acct # is listed on the PO)

Important Instructions For All Shipments

1. Bill of Lading must include description of commodity, freight class, weight, PO# and/or RMA#
2. All shipments should be sent with a packing list. Portal documents should also be included if applicable.
3. If for any reason you cannot comply, or require clarification, email for instructions:
david.uliasz@rfstechnologies.com or frank.calzone@rfstechnologies.com
4. The following routing instructions are effective immediately and supersede all previous routing guides.
5. You must call if recommended LTL carrier does not service your facility.

IMPORTANT – PLEASE READ!!

**FAILURE TO COMPLY WITH THESE INSTRUCTIONS WILL BE CAUSE
FOR DEDUCTIONS AND/OR BILLBACKS AS NECESSARY TO
RECOVER ANY EXCESSIVE CHARGES AND ASSOCIATED EXPENSES.**
